

Holiday Club Fee Policy

Autumn 2019

At NC Holiday Club we have a published Fee Policy, for each academic year, which is reviewed by the Company annually.

When do I pay? - Payment of fees is in advance of the attended day, up to and including arrival on the day.

Preferred Payment Method -The preferred method of payment is by electronic bank transfer. Payment must be made by the day of service, with payment card payment available as an option at the setting. The company's bank account details are provided as part of the registration process and are included on every invoice.

Late Bookings

Late booking may be available with payment due on the day by electronic card payment or cash only. Please contact the nursery manager for availability.

Early Bird Discount

If payment is received 15 days in advance of the booked days, an additional 5% discount may be applied. This applies to session charges only, not food.

Sibling Discounts

Sibling discounts are available for children accessing more than two and a half days per week. The 10% discount is applied to the eldest child's invoice.

Optional Food Costs* (Packed food is an option)

Food may be purchased at the following cost

- Breakfast - £1.00 (served between 8am and 9am)
- Snack - £0.25 (served at 10:00am and 2:00pm)
- Lunch - £2.75 (served 12pm)
- Tea - £2.75 (served 4pm)

Food costs are shown separately on the invoice, as taken.

*Packed Food Policy

Natural Choice Nurseries prides itself on its delicious home cooked food. Our menus are exciting, varied and our cook is expert in supporting family needs with regards to allergies. It is however an option for any child to attend with Packed Food.

However, we insist on the following requirements: -

- We have **Nut Free** buildings and so no food may be bought onto the premises which contains nut ingredients. (i.e. made in a factory that uses nuts, is acceptable)
- Please note that Natural Choice does not have cold storage facilities, for packed lunches, so the food must also be suitable to be stored at room temperature until it is consumed.
